

Success Academy's 2023 Charter School Program Grant

The federal government recently awarded Success Academy Charter Schools, Inc. \$13,863,955 through a Charter Schools Program Grant to Charter Management Organizations for the Replication and Expansion of High-Quality Charter Schools (the "2023 CSP Grant") to support the opening and expansion of schools. Success Academy Charter Schools, Inc. is the not-for-profit Charter Management Organization that operates Success Academy's network of schools. The amount of funding that has been approved for the current budget period (April 1, 2023 through March 31, 2024) is \$1,784,875. This is a "reimbursement" grant, which means we do not receive funds until after expenses have been incurred. To learn more about Success Academy's grant, see [here](#).

Success Academy's plans to open or expand schools depend on several factors, including whether SA schools are granted co-located space in NYC-DOE public school buildings. Success Academy's current projection of school openings and expansions to be funded by its 2023 CSP Grant is as follows:
